Signature of applicant or Australian attorney

TO

THE COMMISSIONER OF PATENTS

This form must be accompanied by either a provisional specification (Form 9 and true copy) or by a complete specification (Form 10 and true copy).
DECLARATION IN SUPPORT OF AN APPLICATION FOR A PATENT

In support of the Application made by ____________ for a patent for an invention entitled ____________

I, ____________ of ____________, do solemnly and sincerely declare as follows:

1. I am the applicant for the patent.

(or, in the case of an application by a body corporate)

1. I am authorized by ____________ to make this declaration on its behalf.

2. I am the actual inventor of the invention.

(or, where a person other than the inventor is the applicant)

2. ____________ is the actual inventor of the invention and the facts upon which I am entitled to make the application are as follows:

________________________________________________________
________________________________________________________
________________________________________________________

Declared at ____________, this ____________ day of ____________, ____________

(Signature of Declarant)

TO:

THE COMMISSIONER OF PATENTS.
EASY-LIFT UTILITY (VEHICLE) COVER

The cover is a wooden frame covered with canvas, but can also be made in aluminium or fibreglass. It is attached to the car body with specially made hinges, which reverse the cover from the car body when opened up. The hinges are made with gas cylinders to make lifting easy and to hold the cover up while open. It is completely removable by removing four screws. It is waterproof and lockable.
